

The Boundary Commission for England is currently reviewing Parliamentary constituencies, to rebalance the number of electors in each and the proposal is to include Chatburn in the Pendle and Clitheroe C.C.

Information is available at <https://www.bcereviews.org.uk/node/6487?postcode=BB72WU> where there is an opportunity for comments to be made online by 5 December 2022.

CCTV Cameras are currently being installed in Chatburn which will allow the parish council to identify persons committing criminal offences.
